SIRAJUL HUDA

Founder's Message

Fostering a healthy and creative childhood requires a harmonious blend of elementary education and moral values. Beyond academic and clerical credentials, it is the moral capital of an individual that truly enables them to thrive in human existence.

While excellence in education is essential and deserving of recognition, we must not overlook the importance of character development.

**Sheikh
Abdul Rahman Saquafi**

Founder and General Secretary
Sirajul Huda Educational Complex

Pursuit Of **Excellence**

To be a leader, one must excel in their field of expertise. Excellence has become the hallmark of our time. At Sirajul Huda, we are committed to fostering institutions of excellence, nurturing the leaders and change-makers of tomorrow.

Mission

- To equip the learner with essential life skills for the real world and instill moral and social values in them in order to be the alchemist of desirable change in the world.
- To help our students become global citizens broadening horizons of wisdom through imparting the best education with proper guidance and inspiration.
- To create a child-friendly, safe and positive atmosphere where children can achieve their full potential with freedom for self learning and creative expression

Vision

"To nurture and empower the next generation of global citizens, fostering tolerance, acceptance, and cognitive excellence through value-based education."

Principal's Message

Every child is unique, and we appreciate their individuality, striving to nurture their strengths. The ultimate goal of education is to help children realize and explore their potential, uncovering hidden talents. As the future of our world depends on our children, I firmly believe that education should blend academic excellence, creativity, and moral values.

As the Principal of this school, my motto is to encourage and empower our students to grow into strong, reflective, and humble individuals with discerning minds. We aim to prepare them to make a positive impact in all spheres of life.

Basheer KP
(Principal)

Who we are...

Welcome to Sirajul Huda English Medium School, Kuttiadi, a premier educational institution nestled in the heart of Kerala. Established in 1999, our school has emerged as one of the top-rated institutions under the esteemed Sirajul Huda Educational Complex. With a strong legacy of academic excellence, we proudly cater to the educational needs of over 1700 students. Our school is governed by a distinguished body of scholars, principals, and academic experts, ensuring a rich and holistic learning experience. At Sirajul Huda English Medium School, we are committed to fostering a culture of excellence, empowering students to excel in the realm of knowledge. Our mission is to provide quality education that focuses on the all-round development of each student, nurturing their unique talents and skills. As a proud member of the esteemed Sahodaya School Complex, an official platform for CBSE-affiliated schools, and IAME, a confederation of over 400 schools across Kerala, particularly in the minority sector, we are an integral part of a larger community committed to elevating the physical and academic infrastructure of CBSE schools. Join us on a journey of discovery, growth, and excellence. Explore our prospectus to learn more about our school's vision, values, and academic programmes.

Variety of Learning Methods

Learning is the acquisition of knowledge or skills through study, experience, or being taught. We're applying different methods of learning to help them learn effectively.

1: Holistic Education

2: Art integration

3: Experiential learning

4: Project Based learning

5: Co-operative learning

6: Flipped classroom

7: Competency-based learning

Smart Classroom

Digitally equipped classrooms with a huge variety of teaching and learning methods help teachers to deliver their class more effectively providing better learning experience to students.

Coding Lab

The Coding Lab introduces students to the world of programming through fun and practical learning. Younger students start with simple coding exercises to create games, while older students move on to app development, software creation, and website design. This step-by-step approach helps them develop problem-solving skills and prepares them for the digital age.

Library

Library plays a very important and healthy role in students' life. It provides the students a healthy environment for learning, making notes, completing assignments, etc. It also helps the students expanding their knowledge. Well-Stocked library is the one of the specialities of our school.

Publications

- 1 Printed School Magazine
- 2 Digital School Magazine
- 3 Monthly Wall Magazine

A row of white compound microscopes is lined up on a white lab bench. The microscope in the foreground is in sharp focus, showing its eyepiece, objective lenses, stage, and base. The background is blurred, showing other microscopes and lab equipment. The text "Labs" is overlaid in the bottom left corner.

Labs

Composite Science Lab | Computer Lab
Mathematics Lab | Language Lab

Artificial Intelligence

Explore the fascinating and fast-moving field of artificial intelligence with our special coaching on AI. Learn artificial intelligence by studying natural language processing, reinforcement learning, predictive analytics, deep neural networks, image processing, the human brain and more.

Entrance Coaching

Coaching for medical / Engineering / Civil Service examination will be conducted for the students of Grade VI onwards. The Coaching will be conducted by the expert faculties in the respective field on a regular basis and prepare the students to get good marks in different competitive examinations.

Safe and Reliable Transport

Our school offers a well-organized transport facility, ensuring a safe and convenient commute for students. With a fleet of well-maintained vehicles and designated routes, we prioritize punctuality and comfort.

SIRAJUL HUDA

Test and Promotions

We have our own examination board under which all examinations of Sirajul Huda are conducted efficiently and in its true spirit. Common question papers are prepared by an expert committee under the examination board. Two terminal examinations will be conducted in each subject. Promotion is based on the over-all performance of the child during the academic year. A student should get a minimum of 85% of attendance. Students who fail to obtain minimum attendance will not be promoted in any case.

Holistic Progress Card

Aligning with NEP 2020, the **Holistic Progress Card (HPC)** ensures a **360-degree** assessment of students, focusing on academics, life skills, creativity, and personal growth. This competency-based approach moves beyond marks to provide meaningful insights, fostering well-rounded development. By integrating experiential learning, HPC empowers students to track their progress and build essential skills for the future.

Vacations

Apart from the summer vacation, holidays will be given as prescribed by the government from time to time.
